What's New in the The Emperor 039;s New Groove?

The Emperor's New Groove is a beautiful icon collection that contains various characters, objects and symbols from the Disney movie. The set contains 18 well crafted icons, at a high pixel rate (256x256), in ICO format suitable for various applications or personalized folders. The icons range from the Emperor Kuzco to icons of Kronk, Yzma, Pacha and various glyphs from the animated movie. Screenshots: Note: The icons are not marked with a version number but they should work for all versions of Windows. How to install: - Extract the archive - Copy the extracted files to a folder, for example C:\icons - Launch Start - Settings - Control Panel - Region and Language - Change the Region to your country, select the top-left languages (or use the new language menu) - Now Install the Region-Packages of the languages you select.
