Download Foto Sexy Model Indonesia AsiaQ: java.lang.NoSuchMethodError on native library I am trying to launch the the native library libSample.so which is part of android sdk in java application. It is showing the below error in return of loadlibrary : java.lang.NoSuchMethodError: com.loopj.android.http.AsyncHttpClient.init(Lcom/loopj/android/http/HttpEngine;)V My java code is System.loadLibrary("Sample"); Bundle args = new Bundle(); args.putString("cmd", "strings"); args.putString("sam", "strings.xml"); startActivity(new Intent(this, SampleMainActivity.class) .putExtra("data", args) .setFlags(Intent.FLAG_ACTIVITY_CLEAR_TOP)); The DLL is loaded in native library with success. I have tried using many options, but no luck. Can anyone help me here. Thanks A: Found the solution: The libSample.so library is not named "libSample.so", it is named "libSample.so.4.8". This library is supplied in SDK. It is different from my library, "libSample.so" name, which is not native library, it
